## GENERAL INFORMATION

### PURPOSE

In a coordinated effort with the DPS and the Texas Longhorn Foundation, the TFC strives to provide a safe and enjoyable environment at all tailgating events. The TFC Football Tailgate Policies help ensure a safe and enjoyable environment for the fans, students, and visitors attending tailgating events.

### AUTHORITY

The use of state facilities for special events and football tailgating is governed by Chapter 2165 of the Texas Government Code and administered by the TFC Commercial Parking and Special Events Program.

The TFC Executive Director has the discretion to modify/cancel/reassign any reservation space on state property managed by the TFC.

### TFC TAILGATE POLICIES

The following policies have been created for public safety and the effective administration of the program. The policies are intended to provide guidelines for the proper and respectful use of tailgating space within public view. No lewd acts, misconduct, or nudity will be tolerated on state property. TFC reserves the right to enforce and modify these policies at any time. The TFC Commercial Parking and Special Events Program has the authority to enforce or modify the TFC Football Tailgate Policies.

**The State of Texas, TFC, and its contractors reserve the right to refuse service or sale of spaces to anyone as deemed appropriate.**

At its discretion, TFC may terminate tailgate parties or take other appropriate action toward individuals, groups, or organizations whose conduct is in violation of, or conflicts with, the TFC

Football Tailgate Policies. Failure to comply with the directions of TFC, its staff, or its parking contractor may result in immediate removal from state property without a refund and preclusion of further tailgating use.

### RESPONSIBILITIES

Each tailgating group is required to have a designated person who will serve as the Primary Space Holder. This person will be responsible for the oversight of the tailgate space and will ensure all trash is bagged and the tailgate area is clean *during* tailgating and before leaving the property.

The conduct of the tailgating group and their guests is the responsibility of the Primary Space Holder or designated alternates. If damage occurs, the Primary Space Holder may be liable for the cost of repairs.

TFC and its parking contractor are not responsible for lost, stolen or damaged possessions.

### TAILGATE AREA

TFC tailgating is permitted only within the area bounded on the north by Martin Luther King Jr. Boulevard; on the east by Trinity Street; on the west by Lavaca Street; and on the south by 11th Street.

### TAILGATE SIZE

Tailgating spaces vary in size depending on the location of the space. Parking Lot spaces are approximately 8 x 10 feet or as designated. Open Ground Areas near or around State Buildings also vary in size from 8' x 37' to 36' x 36'.

Some spaces are only suited for compact vehicles or tent/tailgate setup. Contact TFC for questions concerning the size and setup restrictions of a specific space.

A maximum of ten (10) tailgate spaces per person, per event may be purchased.

Tailgate set up is limited to the spaces which have been purchased and may not extend beyond the designated area.

Tailgaters utilizing recreational vehicles (“RVs”), buses, trailers, or box trucks shall not exceed the parking spaces purchased.

## TAILGATE TIMES

Tailgate spaces are not available until 6:00 PM on Friday or 6:00 PM on the day before an official UT home game.

Marking of tailgate spaces or set up of tents is **not** permitted prior to 6:00 PM on Friday or 6:00 PM on the day before an official UT home game. Items found before 6:00 PM will be removed without notice.

State employees utilize spaces for parking during the work week and may not vacate a space by 6:00 PM, Friday. Therefore, the availability of any given space may be delayed. If the space is not vacated within a reasonable amount of time, contact the on-site parking attendant or TFC. The towing of any vehicle on state property can only be approved by TFC.

All items are to be removed from state property no later than noon on Sunday or noon on the day following an official UT home game or at such time designated by TFC. All state property shall be returned to the same condition it was in prior to the tailgating event.

## TAILGATE SPACE

### OPEN LOTS

Parking and/or tailgating permits for the Open Lots are sold on a cash and credit card basis. No checks will be accepted. All sales are final and no refunds will be given.

A \$50.00 tailgate fee will be charged per space for use from 6:00 PM on the day before an official UT home game to noon the day after an official UT home game or as designated by TFC. Fees are subject to change.

## CLOSED LOTS

Closed Lot spaces are reserved and paid for in advance of the current tailgate season. Reserved spaces in Closed Lots can be renewed from season to season. TFC has the authority to modify/cancel/reassign spaces. Full payment must be received by the reservation payment due date as listed on the Advanced Reservation Payment Form.

Tailgaters who reserve space in Closed Lots are also assigned TFC authorized Open Ground Areas adjacent to their assigned space. Tailgaters may not allow others to set up in these authorized areas adjacent to a Closed Lot.

## GRASS/GROUND AREAS

Several grass and paved areas known as Grass/Ground Areas are reserved locations at state buildings and are available for tailgating. These areas are reserved and paid for in advance of the tailgate season. Fees are assessed at the current rate of .05 cents per square foot.

Reserved Grass/Ground Areas can be renewed from season to season. TFC has the authority to modify/cancel/reassign spaces. Full payment must be received by the reservation payment due date as listed on the Advanced Reservation Payment Form.

In the event that all available spaces are not reserved before the start of the season in a Closed Lot or Grass/Ground Area remaining available spaces may be purchased in advance or on game day on a first come, first served, basis with no rights for renewal the following season.

Payment is to be made to TFC’s parking contractor:

HBA Parking, Inc.  
807 Brazos Street, Suite 314  
Austin, Texas 78701  
Phone: (512) 478-6848  
Fax: (512) 481-1400  
[mail@hbaparking.com](mailto:mail@hbaparking.com).

***The Advanced Reservation Payment Form must be included with your payment.***

A copy of the form is included on page 10 and available on TFC’s website at <http://www.tfc.state.tx.us/divisions/facilities/prog/FMD/parking/texas-tailgate-reservations/>.

The Primary Space Holder or their alternate(s) may pick up the tailgate space permit at their designated lot, or Grass Area permits are available at Garage E, starting at 6:00 PM Friday or at 6:00 PM on the day before an official UT home game.

TFC and its parking contractor are not responsible for lost, stolen, or damaged parking and/or tailgating permits.

### **SHORT-TERM TAILGATE LOTS**

Large groups, corporations, or charity organizations planning a hospitality tailgate can reserve the CSB Front Parking Lot, CSB North Loading Dock, CSB South Loading Dock or WBT Loading Dock (back lots).

The hosting group, their staff and guests are subject to all TFC Football Tailgate Policies.

To reserve a Short-Term Tailgate Lot, the Short-Term Reserved Tailgate Space Request Form must be submitted between the first Monday in May and until all Short-Term Tailgate areas are booked. TFC reservations are booked on a first come, first served, basis and are available for one or two games per season upon availability. One form per game must be completed and submitted.

Forms can be downloaded at:

<http://www.tfc.state.tx.us/divisions/facilities/prog/FMD/parking/texas-tailgate-reservations/>.

### **UNAVAILABLE AREAS**

Certain areas within the Capitol Complex have been designated by the TFC as “No Tailgating” areas and are denoted by signage in those areas. Tailgating in these areas is not permitted at any time. Violators will be considered as trespassing on state property and subject to enforcement by DPS.

### **RESERVATION RENEWAL PERIOD**

Due to construction in the Capitol Complex, the tailgate renewal period begins in May for the 2018 season. The Primary Space Holder may request the same space occupied during the prior tailgating season at Closed Lots and Grass/Ground Areas, however several locations in the Capitol Complex have been removed from tailgating use. Due to these changes in availability, tailgate spaces will be issued from a random drawing for current Primary

Space Holders. Spaces will be assigned and offered either as the best available spaces or the same space occupied last season. Confirmation of tailgate space locations assigned will be sent to the Primary Space Holder in June. Upon notification the Primary Space Holder will need to accept or decline the spaces.

TFC reserves the right to relocate Primary Space Holders to another Closed Lot or Grass/Ground Area with the same number of spaces or size. If any Primary Space Holders are not issued tailgate space(s) due to a lack of availability, then the Primary Space Holders will be placed at the top of the Priority Wait List in order of the random drawing. A random number generator will be used for the random drawing.

It is the Primary Space Holder’s responsibility to reply to TFC to renew their current spaces/tailgate request, ensure that TFC has their current contact information, and payment is submitted by the reservation payment due date.

If the Primary Space Holder does not renew a reservation for tailgate space, or fails to make full payment by the reservation payment deadline, the spaces will be offered on a first come, first served, basis to individuals on the Priority Wait List.

### **TAILGATE PRIORITY WAIT LIST**

The Tailgate Priority Wait List provides individuals the opportunity to sign-up for reserving space at Closed Lots and Open Ground Areas.

An individual is placed on the Tailgate Priority Wait List by completing the online registration available on TFC’s website at:

<http://www.tfc.state.tx.us/divisions/facilities/prog/FMD/parking/tailgating-on-201cstate-property201d-priority-wait-list/index2.html>.

**Closed Lot spaces and Grass/Ground Areas are sold for the Season ONLY, not individual games.**

If Closed Lot space or Grass/Ground Areas become available, they are offered to the first person on the Tailgate Priority Wait List. Payment for reservations must be received in full by the designated due date or the space(s) will be offered to the next person on the wait list.

If an individual on the wait list declines the offer of any available space, or if full payment is not received by the designated due date, then the individual is removed from the Tailgate Priority Wait List.

Once an individual is removed from the Tailgate Priority Wait List, the individual must re-register for a place on the wait list to be considered for future tailgate space.

## **PARKING**

No vehicle is allowed on state property without displaying a valid parking permit. No exceptions will be made.

### **OPEN LOTS**

A parking permit will be required for all vehicles entering garages and lots. The parking permit entitles the permit holder to one parking space for their vehicle.

A \$25.00 parking fee will be charged per space for day use. Fees are subject to change.

The parking permit must be displayed at all times while on state property; depending on the permit issued, they must be hung from the rear view mirror or placed on the dashboard.

### **GARAGES E & J**

The ground level of Parking Garages E and J is available for reservation by large groups and corporate parking. Reserved spaces are sold for the season ONLY, not individual games. Reservations are not renewable from season to season. A minimum of 10 and maximum of 20 spaces are required to reserve. Tailgaters may utilize the spaces from 6:00 PM Friday to noon Sunday or as designated by TFC. Tailgaters utilizing these spaces will be allowed to enter and leave the garages on multiple occasions.

### **CLOSED LOTS**

Prior to use of the spaces and per event, the Primary Space Holder or alternate must present a Photo ID and confirmation order to pick-up a parking permit issued by the TFC's parking contractor at the assigned lot. It is the responsibility of the Primary Space Holder or

alternate to then distribute the parking permits to guests. NO exceptions will be made.

A parking permit must be displayed at all times. Vehicles will not be permitted to enter the lot without a parking permit.

Parking permits may not be transferred or sold to another user.

The Primary Space Holder is to secure all reserved spaces, per event, by placing a vehicle or other items within their reserved space.

## **STATE EMPLOYEES**

On game day, state employees may present a valid State of Texas Employee Photo ID to utilize one free parking space in designated state garages. State employees may not utilize the option of one free parking space to "reserve" spaces for tailgate set up on surface parking lots.

## **DISABLED PARKING**

Accessible parking is available in various designated state parking garages open for public access. There are a limited number of spaces available and they are issued on a on a first come, first served, basis.

## **TOWING**

Approval to tow shall be enforced by TFC. Official tow signs are posted and shall be enforced.

## **RESTROOMS**

Public portable toilets are provided throughout the tailgate area, see map on page 11. The Primary Space Holder must ensure that their tailgate group and guests utilize the portable toilets provided.

Urinating in public, on State of Texas facilities, grounds, shrubs, garages, parking lots, or Waller Creek will not be tolerated. Violators will be subject to enforcement by DPS.

## PORTABLE TOILET RENTAL

The rental of individual portable toilets for tailgate space is allowed on most lots, however TFC does not provide this service for tailgaters. Portable toilets are not allowed to be set up on the ERS lot.

The rental of a portable toilet must be contained within an individual's tailgate space. Portable toilets may not be delivered until after 6:00 PM on Friday or 6:00 PM on the day before an official UT home game and must be removed from state property no later than 10:00 AM on Sunday or 10:00 AM on the day after an official UT home game.
